It's been weeks since I came to this world.
The name of this country that was constantly summoning otherworlders

CHAPTER 3: THE GODDESS'S FAVOR
Here's your reward, Shinkun.
Starting today, you'll be promoted to H-rank
You're working hard every day.
I've only gone up one from the bottom.
In terms of pace, this should be enough.
If I move too fast then...
I met an adventurer named Ende here yesterday.
If I'm not mistaken, it's the adventurer that reached C-rank in the blink of an eye?
Endo is an adventurer registered around the same time
From the name, I think he's probably Japanese.
I don't know what kind of trick hes using.
But if I catch his foot here.
I'm going to make a mess out of him without noticing anything!!
He has been abusing the skills he's been given, and he's done too much in such a short time.
If he stands out too much, he's going to be the target of jealousy, and he's at risk of being held back.
As someone who is plotting to get out of this country,
There's no way that fame can reach me.
It'd be one thing if it were another country.
I can't stand out in this country.
I don't have to stand out for the rest of my life.
This country alone is no good...
- and after that...
I kept saving up the funds without standing out...
—— 一年後 ——
After I safely escaped from the Kingdom of Teyran
Here.
I washed ashore in Taniki Village, in the Kingdom of Timpine.
This is a peaceful mountain village
The village and the people are simple.
It didn't take long to decide on a settlement.
Good afternoon, Lord.
I caught a bird today.
Thanks as always, Shin.
T/N: Quasi is used to form adjectives and nouns that describe something as being in many ways like something else, without actually being that thing.
The Lord of Taniki Village is a quasi-baron, but a noble in name only.
He has a self propelled, self sufficient life.
But he's not good at hunting, so he's happy with the food I bring him.
Yay, meat! Meat!
Hey, is there anything I can eat right away?
There's some dried meat.
Oh, no! Don't eat until you've thanked him!
ピロン
I'll take my leave here.
I'll bring you something if I catch something again.
I need to be a little careful with my phone.
Apparently, the people here can't see the notification because the screen is black.
For the time being,
It is said that it is a memory from my hometown (it is not a lie)
T/N: He's saying it is not a lie cuz it is actually a memory from his hometown not some cover up lie
I don't have a home or a family anymore, so it's like a memento.
Even if they look at something unusual all the time like my phone,
The gentle people of rural village stopped asking me about it.
Again?

THAT WAS A BIT HARSHER THAN THE FIRST TIME, BUT IT CAN'T BE HELPED.

AT THIS RATE, EVEN IF A SECOND THIELAND APPEARS, IT WILL BE THE SAME
WHAT IS IT THIS TIME?
THERE'S BEEN A HUGE OUTBREAK OF STAMPEDE MONSTERS!
MASS OUTBREAKS OF STAMPEDE MONSTERS OCCURRED

THERE WAS THAT OPTION!
ARE YOU ALL RIGHT, GODDESS?
WHY ARE YOU DOING THIS FOR THAT DANGEROUS COUNTRY?
DO I HAVE TO GIVE HER ADVICE?
BUT, WELL, WITH THIS, FOR A WHILE...
HM?
THERE'S EVEN AN ATTENDANT.
WHERE ARE THEY GOING?
THEY STOPPED AT THE LORD'S HOUSE
NOBLES...?
I CAN'T SEE HIS FACE, BUT IS HE A YOUNG MAN?
MY REJUVENATION HAS REDUCED MY STAMINA AND STRENGTH
I'M GLAD I'VE REGAINED MY VISION THOUGH.
WHEN IN THE FORM OF A CHILD, IM NOT GOING TO BE SUSPECTED ,EVEN IF THEY DON'T KNOW IT.
ALSO RECOVERY FROM FATIGUE IS QUITE FAST.
DON'T TELL ME THIS WAS A SERVICE FROM THE GODDESS...?
NO, I'M TALKING ABOUT THAT GODDESS.
I GUESS IT'S JUST A MISUNDERSTANDING.
THE NEXT DAY——
YO, SHIN.
YOU'RE ALREADY A BIG SHOT!
MR. HALLESCH.
HI. HI.
MR. HALLESH IS LETTING ME LIVE ON A PART OF THE PROPERTY.
HE'S THE LANDLORD, SO TO SPEAK.
TWO YEARS AGO, WHEN THE VILLAGE WAS ATTACKED BY BLOODWOLVES
HE LOST HE'S WIFE AND TWO CHILDREN
IF HE'D BEEN ALIVE, HE WOULD HAVE BEEN AROUND THE SAME AGE.
BECAUSE OF THAT, HE'LL LOVE YOU LIKE HIS OWN SON.
YEAH, IT LOOKS LIKE A GOOD BOA.
IF YOU'VE IMPROVED THIS MUCH
I'LL TAKE YOU TO A PLACE WHERE YOU CAN AIM FOR BIGGER PREY.
THANK YOU VERY MUCH.
MR. HALESH USED TO BE A KNIGHT AND A GOOD SWORDSMAN.
BUT HE BECAME AN ADVENTURER AND MET HIS WIFE.
HE'S BACK IN HIS HOMETOWN, TANIKI VILLAGE.
FRENZY SCANS
HEY, SHIN. YOU SHOULDN'T LIVE SO FAR AWAY.
WHY DON'T WE LIVE IN THE MAIN BUILDING TOGETHER?
I'D LOVE TO, BUT...
IS THERE ANY INCONVENIENCE?
THERE'S A COLLECTION OF MR. HALLESH'S PREY IN THE MAIN BUILDING, RIGHT?
SLEEPING IN THAT HOUSE IN THE MIDDLE OF THE NIGHT
EVEN THOUGH I KNOW IT'S STUFFED
FOR SOME REASON, I FELT LIKE I WAS GOING TO BE ATTACKED—
AH HA HA!
THAT'S TRUE, ISN'T IT? I GET IT, SHIN.
HALLESH IS TOO INSENSITIVE!
THIS IS GINA.
SHE LIVES NEXT DOOR TO MY HOUSE
BUT THAT'S SURPRISING.
YOU'RE ALWAYS SO CALM.
I THOUGHT THERE WAS NOTHING TO BE AFRAID OF.
ALTHOUGH IT MAY NOT BE VISIBLE ON THE FACE, TASKS SUCH AS DISSECTING PREY,
WERE QUITE CHALLENGING UNTIL I BECAME USED TO IT.
I HATE BUGS AND STUFF.
BEETLES ARE G'S WITH OPTIONS ON THEIR HEADS.
AHAHAHA!
YOU SOUND LIKE A GIRL!
OH, IT'S SHIN!
WHAT DID YOU BRING TODAY?!
IT'S A GUMMY FRUIT. I HEARD THEY PICKED A LOT OF THEM.
IT'S SWEET!!
HERE, THE SWEETNESS IS EXPENSIVE
IT'S SOMETHING COMMONERS CAN'T TASTE.

The Kingdom of Tinpine has been in financial trouble for a long time due to reparations for the war 20 years ago.
We're up against that Kingdom of Teyran.
In fact, it was the neighboring country of Toradora that lost
Because they had formed an alliance, they were provoked.
Compared to Shin
I told you guys to catch fish and you come back empty handed.
Ahahahaha!
Then why don't you come with me?
I'll teach you how to fish.
Come on, since you guys are here
Learn from Shin and catch it properly!
I caught another one!
That's amazing. If you dangle the thread like Shin said, it'll be a big haul!
I just looked it up on my phone.
T/N: Message: Water Magic Lightning Magic skills have been completed
When I was in the Kingdom of Teyran, I went to the library and read some magic books
Just like in the martial arts book, the method was driven into my head
If you drop lightning magic on the water's edge
It's probably faster than that, but...
A skill-up display appeared on my phone.
メッセージ
水魔法 雷魔法のスキルがUPしました
If I wanted to, I could probably activate it
Magic is rare here.
Relying entirely on convenient magic, it's a little bit hard on my body...
Hm?
Nii-chan, I think I'll be able to eat it soon.
If you eat it right after you catch it,
We won't be able to bring any back home.
Yeah, it's good!
I'll make up for it with this one.
I guess I'll just let him have it.
Shin, you've recovered quite a bit!
He was expressionless when I thanked him.
Even after seeing the hero's remains, he was still acting indifferently
His heart is exhausted.
He's always willing to listen to my advice.
Because some of the emotions were paralyzed.
And that message from earlier
It's a little cold, but...
Shin is kind.
He's such a good person ♡
Senpai, there's always a goddess.
All you have to do is act high and mighty.
...or so they say.
I'm not good at that stuff.
Humans are always yelling at me or making unreasonable demands...
At first, otherworlders were surprised and delighted by skills
But many of them will eventually drown in power and transform into arrogance.
That's why, like Mr. Shin
It's rare for otherworlders to live peaceful lives.
But--
That's what makes me a loving child of man
And I should cherish that.
